

# Winter School in Syntax

## 17.12.2017-21.12.2017

The Winter School will address some of the central questions in syntax and linguistic theory more generally. Everyone interested in linguistics is welcome to attend! Students can receive credit by registering for course 36885.

Courses will be on the following topics:

- Ellipsis
- Binding theory
- Movement

Lecturers:

- Klaus Abels (UCL)
- Isabelle Charnavel (Harvard)
- Susi Wurmbrand (Connecticut)

There will also be a preparatory reading group for the school during the semester. Please find more information about the reading group and the school here:
